Welcome to our second newsletter of 2010. We have certainly had a busy start to the year with numerous craft parties, several large themed parties and a good number of orders for party products which reassures us that we are still providing well priced high quality services and products. If you have used us recently and would like to provide feedback or a testimonial we would be pleased to hear from you.

Weddings

The 2010 Wedding season is now about to start, and as other details are finalised, now is the time for couples to think about their childcare and entertainment requirements. From our fully staffed [activity room](#) where children aged 5+ can be looked after and entertained with toys, games and creative activities to wedding nannies or an activity station in a corner of a room, because we work with children of all ages every single day we know how to find a solution which will work for every type of event.

*See us at the Wedding Fayre at St James on Sunday 7th March from 12-4pm
For more details visit www.guernseyweddings.co.uk/guernseyweddingfayres.htm*

Pampering Parties

For something very girly we can provide [pampering parties](#) using a qualified and experienced beauty therapist who can do manicures and pedicures as well as make up style face painting and a party assistant to organise a creative craft activity such as decorated trinket boxes or bead jewellery. Add in plenty of music and dancing, perhaps dressing up in costume accessories, and it makes a very pretty, pink and fluffy party for girls aged 7+.

These parties are proving popular, especially as they have been available in the UK and States for a while. However, unlike some companies, we do ask parents for consent for their daughter to have beauty treatments, and we are mindful that all activities are age appropriate.

Prices

Our set prices have not increased for 2010. We are still offering 1 hour of party entertainment for £120 (includes 2 party assistants and prizes), craft assistants from £50 per hour and venue set up/clear down from £30 per hour.

February 2010

Did you know....?

White Rabbit Parties are already preparing a party packaged arranged around the new 'Glee' TV programme which is proving popular with its music climbing the music chart!

Easter

As we approach March, it is time to start preparing for Easter!

Holding an Easter party is a fun way to get your child's friends together for an afternoon of celebrations which could include an egg hunt, bonnet or hat making competition and Easter craft!

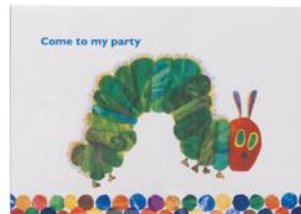

We can supply a range of Easter tableware, plastic eggs to use for an egg hunt as well as creative craft kits such as [eco-friendly egg or chick](#) which include a sturdy cardboard shape and recycled fabric and paper shapes to decorate them.

You can of course book us to come and organise a party or supervise craft activities for our normal rates.

For more info or a quote contact Jo on 07781 122234 or email jo@whiterabbitparties.com

New Party Theme

For something quite different from the usual pirates and princesses themes, why not book one of our [Caterpillar and Butterfly parties?](#)

This brand new theme incorporates *The Very Hungry Caterpillar* range of tableware, a reading of the well loved book written by Eric Carle, butterfly crafts and a themed Hungry Caterpillar tea and is suitable for boys and girls aged 5-8
