Welcome to our first newsletter of 2010. We hope that you have had a fantastic Christmas and New Year and wish you all a happy and healthy 2010.

We have decided to change the format of this slightly which means you will now receive an email link to open the letter on our website. This allows you to click back any time to read it again. Clicking on any of the blue hyperlinks in this newsletter will take you to the relevant page on our website.

You can still unsubscribe to this at any time by clicking the link at the bottom of the email, but there is now also a link there for you to tell a friend and let them know who we are and what we are.

Website

We launched a new and very much improved website at the end of 2009 which I hope those of you who have had a look find much easier to use. New content is being constantly updated to provide a huge amount of additional details about what we can offer.

We have included a [party tips](#) page as well as lots of additional photographs and information about different party [themes](#), [crafts](#) and [catering options](#).

We have also got a link to our [Facebook page](#) which is kept updated with photographs and details of new products and ideas.

Craft Parties

One aspect of White Rabbit Parties which has become popular over the last few months is our [craft parties](#). We can offer a range of crafts priced from £1.50 per child together with a craft assistant from £50 per hour to come and organise and inspire the children. This can make a very cost effective party and works really well with a small group of 6-10 children of all ages either at home around the kitchen table or at a hired venue.

***NEW* Painted Canvas Art**

For something completely creative and original, children will love making their very own pieces of art. Using canvas' makes them feel special and grown up, and they will get carried away with our selection of jewels and gems to decorate the border. Pictures can be printed, painted or stencilled to suit the theme. Prices from £6 for an unframed canvas.

Weddings and Corporate Events

Don't forget that as well as children's parties we can offer individualised childcare solutions for weddings, family events and corporate functions where children will be present. From our fully staffed crèche service where children can be looked after and entertained with toys, games and creative activities to an activity station in a corner of a room or use of an entertainer, because we work with children of all ages every single day we know how to find a solution which will work for every type of event.

Save the Date

We are now pleased to be able to offer a free 'save the date' service. Simply get in contact with us with your preferred party or event date in 2010 and we will reserve it for you with no obligation. Should we get another enquiry for the same date we will contact you to see if you still wish to hold the date for yourself, and then will get in touch nearer the time to begin discussions about the event. This way you don't have to worry about missing out on a White Rabbit party because we are fully booked.

Testimonials

If you have used any of our services in 2009 and were satisfied then we would be very grateful if you would write us a very short testimonial which we can include on a new page of our website to help potential customers when they are considering using us.

You can [email](#) any comments to us, indicating whether you are happy to have your name published or whether you would prefer to remain anonymous, or perhaps be identified as 'Katie's mum'.

Special Offer!

To celebrate the New Year we are offering you all a free hit or pull string piñata filled with wrapped sweets, chocolates, confetti, balloons and party blowers (worth £25) with any party package booked before the end of February.

Just quote 'PINATA OFFER' at time of booking to receive the deal.
